## Water Quality Trading Policy Forum Announcement: Save the dates

10/31/2014

DEQ invites stakeholders and interested members of the public to participate in three policy forums on water quality trading in Oregon: **Thursday, Dec. 4, 2014, Thursday, Jan. 29, 2015, and Thursday, March 5, 2015.** At the forums, participants can learn about and provide feedback on DEQ's efforts to develop new rules and revise existing guidance to strengthen and clarify Oregon's water quality trading program.

All forums will be at DEQ Headquarters, 811 SW Sixth Ave., in downtown Portland. Participants may attend in-person or via web conference. For each policy forum an agenda and meeting materials will be posted to DEQ's [water quality trading website](#) on the Monday before the Thursday policy forum.
